

Grant Funding Linked to COVID 19

(date: 08 March 2021)

Sector: The Voluntary Community and Social Enterprise (**VCSE**)

Scope: This funding research focuses on grants to VCSE organisations which they themselves can apply for Covid 19 related grants.

It doesn't include donations from a range of organisations who've donated towards national COVID 19 schemes (National Emergencies Trust / Trussell Trust), however, some of that funding will materialise in Suffolk through various local partners and services.

(The greyed out lines are new funds added since the previous grant list)
