

## **Finance & General Purposes Committee Meeting**

**Tuesday 15<sup>th</sup> May 2001 at 7.00 p.m.  
at Bevan House, Camps Road, Haverhill**

**PRESENT:**                      **Chair:**                      **Cllr. Maggie Lee**  
**Town Councillors: E Bowman, E Goody, Angela Millar**

## **MINUTES**

### **1.     Apologies for absence**

Apologies for absence had been received from Councillors Hancock, Gerry Kiernan, and Smith.

### **2.     Minutes of the Previous Meeting**

Cllr Goody proposed and Cllr Millar seconded that the minutes of the meeting held on 20<sup>th</sup> March 2001 be signed as a true record, all being in favour.

### **3.     Matters arising**

#### **a)     Clements Surgery - Hanchett End Surgery**

Cllr Maggie Lee reported that the Partners at the Clements Surgery had decided not to open a second surgery at Hanchett End. Cllr Maggie Lee reported that a NHS review of surgery provision was currently taking place in the Town. The Town Clerk was asked to invite a representative of the Primary Care Group to speak to the Town Council on the subject. Cllr Millar reported that the Clements Surgery was the only surgery currently accepting new patients.

#### **b)     Local Air Quality**

The Clerk reported that St Edmundsbury Borough Council had re-affirmed that the Local Air Quality legislation required them only to measure certain individual pollutants, and that whilst a wider range of pollutants had been measured as part of the Clements Health Improvement Programme, and found to be within individual permitted limits, there was no requirement to study the "cocktail" effect of the combined pollutants. The Clerk was asked to write to the Environment Agency asking for a more detailed study to take place.

c) Financial Seminars for Voluntary Organisations

The Clerk reported that the first two seminars would be attended by thirty representatives from twenty local organisations, and that Suffolk ACRE were likely to sponsor the seminars on an on-going basis.

**4. Correspondence**

a) St Edmundsbury Borough Council – Wednesdays for Women Group Funding

The Clerk reported that the Borough Council were unable to continue to fund the Wednesdays for Women Group, although this had yet to be confirmed by the Director of Leisure Services. The Committee considered that withdrawal of funding by the Borough Council should be opposed, given the recognition and success that this group had achieved, and the positive impact it was making to the participants.

b) The Countryside Agency – Vital Villages (Parish Plans, Community Services and Transport)

The Clerk reported that the Countryside Agency were distributing funds for projects mentioned in the Rural White Paper, under the umbrella title of “Vital Villages”. The Committee agreed that the Clerk should obtain details and submit proposals for those projects for which the Town Council was eligible, although Councillor Maggie Lee felt it was important that Haverhill be recognised as a Town, and not a village.

c) Suffolk County Council – Proposal for Dependant’s Pensions

The Clerk reported that Suffolk County Council were considering extending the Superannuation Scheme to include non-married partners of employees, together with other relatives who were financially dependent or interdependent upon the employee at the time of the employee’s death. The Committee agreed to support this extension of the scheme.

d) Suffolk Police Authority – Policing Forums

The Clerk reported that no Policing Forums were being held this Spring.

e) St Edmundsbury Borough Council – Members Information Bulletin

The receipt of the Members Information Bulletin was noted.

**5. 2000/2001 Financial Comparison & Accounts**

The Committee noted the 2000/2001 outturn figures against the original and revised budgets, together with notes of the significant variances.

**6. Long Term Investments**

The Clerk reported that on the maturity of the Council’s 6-month investment he had re-invested it, together with the accrued interest, for a further 3 months, at the then highest rate of 4.34%. The Committee endorsed the Clerk’s action.

## 7. Grants

The Clerk reported that in 2000/2001 the budget for the Summer Fun Playscheme had been £2,060, but that only £1,500 had ever been claimed, and that it was unlikely that this would be the requirement for 2001/2002. The Committee agreed that the budget for this head be revised to £1,500.

Cllr Goody reported that he had spoken to Sergeant Lockyer regarding the traffic and parking on the pavements in the High Street, but had been advised that there was little that could be done to enforce the restrictions.

**10. Closure**

The meeting was closed at 8.30 p.m.
