

# Haverhill Town Council

## Minutes of a Meeting of Haverhill Town Council's

### FULL COUNCIL

Held on Monday 27<sup>th</sup> June 2022 at 7.00pm at Haverhill Arts Centre, High Street, Haverhill

**HAVERHILL**  
TOWN COUNCIL

**Present:** Mayor Councillor B Davidson  
Deputy Mayor Councillor E McManus  
Councillor A Brown  
Councillor J Burns  
Councillor P Hanlon  
Councillor M Marks  
Councillor Firman  
Councillor D Roach  
Councillor D Smith  
Councillor L Smith  
Councillor A Stinchcombe  
Councillor A Luccarini

**Apologies:** Councillor J Mason  
Councillor L Miller-Jones

**In Attendance:** Colin Poole (Town Clerk)  
PC Cheryl Claydon (Suffolk Police)

No members of the public were present.

### Welcome:

Mayor B Davidson welcomed everyone and advised the meeting was being livestreamed on YouTube.

### MINUTES

**C22**     **Apologies for Absence**  
**/069**     The above apologies were noted.

**C22**     **Declaration of Interests and requests for dispensation**  
**/070**     None.

**C22**     **The minutes of the Town Council meeting held 28<sup>th</sup> March 2022**  
**/071**     It was proposed by Councillor D Roach, seconded by Councillor L Smith that the minutes of the meeting held 16<sup>th</sup> May 2022 be adopted as a true record.

**RESOLVED**

**ACTION**

**C22 /072** **To note progress of actions arising from the minutes not covered by this Agenda**

C22/036b: Meeting with Highways. The Clerk advised that he has not be able to liaise yet to agree a date for a meeting but will endeavour to arrange this for July.

**C22 /073** **Reports from District/County Councillors on issues pertinent to HAVERHILL and the PUBLIC FORUM**

- a) Police – see appendix 1
- b) County Councillors – see appendix 2
- c) District Councillors – see appendix 3
- d) Members of the public – none

**C22 /074** **Mayor's Report:**

- a) Mayor's report – see appendix 4

**C22 /075** **Consultation**

- a) West Suffolk Local Plan – closes 26<sup>th</sup> July. A consultation meeting had been attended by Councillor L Smith who reported that there would be no plans for large scale developments in Haverhill included in the document, this was also confirmed by Councillor Roach. Haverhill Research Park housing development is considered to be in the settlement of Haverhill even though it is in the parish of Withersfield.
- b) West Suffolk Community Governance Review – closes 30<sup>th</sup> June. This involves the amalgamation of two wards in Haverhill, which the town council supports. Councillor J Burns sits on the review groups and has raised concerns regarding the equality of numbers of electors represented per councillor, which varies massively across the town.

**C22 /076** **ONE Haverhill Partnership**

The Clerk reported that there has not been another meeting since the Board, the draft minutes of which have been distributed.

**C22 /077** **Adoption of Committee Reports**

a) Planning Working Party

It was proposed by Councillor P Hanlon, seconded by Councillor L Smith that the minutes of the meeting held 3<sup>rd</sup> and 24<sup>th</sup> May and 7<sup>th</sup> June 2022 and the recommendations contained therein be adopted.

**RESOLVED**

b) Leisure and Community Working Party

It was proposed by Councillor J Burns, seconded by Councillor D Smith that the minutes of the meeting held 10<sup>th</sup> May and the recommendations contained therein be adopted.

**RESOLVED**

c) Energy and Sustainability Working Party

It was proposed by Councillor A Stinchcombe, seconded by Councillor J Burns that the minutes of the meeting held 14<sup>th</sup> June 2022 and the recommendations contained therein be adopted.

**RESOLVED**

d) Report on Committee meetings in person

Mayor B Davidson proposed that political groups should consider this and it be discussed at the next meeting.

CLERK

**C22** Code of Conduct

**/078**

Councillors expressed concern regarding if an interest is declared how this will be managed for online meetings under the Code of Conduct. The Clerk clarified that if the Councillor is required to “leave the room” during an online meeting they will be placed in the waiting room and will then re-admitted after the item is concluded.

Councillor L Smith asked whether Town Councillors will be given training. Councillor M Marks recommended all Councillors to undergo the training, as there are ways in which Councillors could inadvertently breach the Code of Conduct for example ‘likes’ on Facebook for posts that might be offensive. Councillor P Firman concurred and said that there are reputational risks to be aware of with social media.

Councillor L Smith asked if standards had changed with regards to social media activity of a Councillor using social media in the capacity of a Councillor rather than as an individual. A councillor could get their own role as a councillor into disrepute by things they post as a private individual.

Councillor J Burns stated that he feels the updates do not go far enough and therefore was not willing to support adopting the new model.

The Chairman proposed that all Councillors receive the training on Code of Conduct.

It was proposed by Councillor B Davidson, seconded by Councillor D Roach that the new Code of Conduct be adopted and training be provided to those councillors who have not yet received it.

Clerk

**RESOLVED**

**C22** Financial Matters

**/079**

a) Authorisation of payments: It was proposed by Councillor P Hanlon Davidson, seconded by Councillor E Mcmanus, that the listed payments totalling £196,574.91 be authorised.

**RESOLVED**

b) Grant Application: Junior Parkrun  
Grant application was withdrawn prior to the meeting

c) Grant Application: Rotary Kids Out  
It was proposed by Councillor M Marks, seconded by Councillor Roach. All agreed.

**RESOLVED**

**C22** Actions taken under delegated powers

**/080**

None.

**C22** End of Year Accounts

**/081**

**a) Significant Events**

It was proposed by Councillor Burns, seconded by Councillor M Mark to adopt the following statement: *In 2021-22 the Council considered the ongoing impact of the pandemic and also the likely impact for the 2022/23 financial year. The council had already taken steps in January 2021 when setting the*

*budget to act prudently in allowing for a full year of activity, even though it was unknown what impact the pandemic would have in its second year. This is reflected in the statement of accounts. The Council made further allowance in January 2022 for the impact of the pandemic of sales during 2022/23 and the impact of inflation, particularly relating to energy costs.*

**RESOLVED**

**b) Review of Internal Controls**

(i) Review of Internal Controls for the Council: It was proposed by Councillor A Luccarini, seconded by Councillor E McManus that the review of internal documents be adopted.

**RESOLVED**

(ii) Review of Internal Audit: It was proposed by Councillor D Roach, seconded by Councillor J Burns that the review of internal audit be adopted.

**RESOLVED**

(iii) Review Terms of Reference, Specification and Effectiveness of the Internal Audit: It was proposed by Councillor Roach, seconded by Councillor Hanlon that the review of the terms of reference, specification and effectiveness of the internal audit be adopted.

**RESOLVED**

**c) Annual Accounts & Return**

i. Adoption of Annual Accounts

1. Income and expenditure: It was proposed by Councillor E Mcmanus, seconded by Councillor A Luccarini that the income and Expenditure accounts be approved.

**RESOLVED**

2. Balance sheet: It was proposed by Councillor A Luccarini, seconded by Councillor L Smith that the balance sheet be approved and signed by the RFO and Mayor.

**RESOLVED**

ii Approval of sections 1 & 2 of the Annual Governance and Accountability Return for the year ending March 31<sup>st</sup> 2022:

1. Annual Governance Statement: It was proposed by Councillor Luccarini, seconded by Councillor D Roach that the annual governance statement be signed as a true reflection.

**RESOLVED**

2. Accounting Statement: It was proposed by Councillor P Hanlon, seconded by Councillor E Mcmanus that the accounting statements be signed as a true reflection.

**RESOLVED**

3. Earmarked Reserves as at 31<sup>st</sup> March 2022. It was proposed by Councillor Luccarini, seconded by Councillor D Roach to approve the Earmarked Reserves totalling £1,013,472.

**RESOLVED**

4. Asset Register – It was proposed by Councillor J Burns, seconded by Councillor D Roach that the asset register detailing fixed assets valued at £953,054.41 be approved.

**RESOLVED**

Councillor J Burns proposed, seconded by Councillor A Luccarini, that any asset disposal should remain detailed on the asset register for a period of 13 months, so that the disposal is shown transparently in the following year before being deleted from the register, to avoid the asset register becoming filled with items long since disposed.

**CLERK**

**RESOLVED**

5. Risk Register: It was proposed by Councillor D Smith, seconded by Councillor J Burns that the risk register be adopted.

**RESOLVED**

**d) Review of Insurances**

It was noted that all insurances were reviewed in October 2021 (Minute C21/154e) and remain in place

**NOTED**

**C22** **Membership of Committees**

**/082**

Amendments – Mayor B Davidson noted that Councillor L Smith, previous Mayor of Haverhill, had been on Leisure & Community and Energy & Sustainability committees in her own right prior to becoming Mayor and, on her appointment as mayor took the ex-officio positions on those committees, with her original place being taken by another councillor. Now she had relinquished her ex-officio rights, she expected to remain on those committees in her own right again, and this had been overlooked by the Clerk in detailing vacancies, so in order to accommodate Councillor Smith without expelling any other existing member, the Mayor asked that the terms of reference be amended to increase the membership to allow Councillor Smith to remain on the committees.

- a) Leisure and Community Committee. It was proposed by the Chairman B Davidson, seconded by Councillor P Hanlon, that the membership be 10 Councillors plus the Mayor.

**RESOLVED**

- b) Energy and Sustainability Committee. It was proposed by the Chairman B Davidson, seconded by Councillor Luccarini, that the membership be 6 Councillors plus the Mayor.

**RESOLVED**

With those amendments, it was proposed by Councillor P Hanlon, seconded by Councillor L Smith, that the circulated list of membership of committees be adopted.

**RESOLVED**

**C22** **Appointment of Chairs and Vice Chairs**

**/083**

It was proposed by Councillor P Hanlon, seconded by Councillor L Smith, that the circulated list of Chairs and Vice Chairs be adopted.

**RESOLVED**

Councillor M Marks commented that some of the Committees do not have a nominated Chair. Mayor B Davidson advised that committees were free to recommend to full council chairs and vice-chairs but no changes had been proposed prior to this meeting.

**ACTION** – The Clerk will ensure that this item is on all Committee agendas for their next meeting, so that all committees/working parties will have recommended to full council chairs and vice chairs.

**CLERK**

**C22** **Appointment of Finance Committee**

**/084**

It was proposed by Councillor P Hanlon, seconded by Councillor L Smith, that the membership of the finance committee as circulated be adopted.

**RESOLVED**

The Clerk advised that this referred to the members individually nominated and whoever was chair of committees, as these were ex-officio positions and would change if the committee chairs changed under C22/062 above.

- C22 /085** **Appointment to Outside Bodies**  
It was proposed by Councillor P Hanlon, seconded by Councillor L Smith that the representatives on outside bodies as per the circulated list be approved.  
**RESOLVED**
- C22 /086** **Casual Vacancy**  
There remain two casual vacancies on the Council.  
**NOTED**
- C22 /087** **To receive urgent correspondence**  
None.
- C22 /088** **Dates of next Meeting:**  
It was proposed by Councillor P Firman, seconded by Councillor P Hanlon that the next full Town Council meeting will be held in the Arts Centre studio on 18<sup>th</sup> July 2022 at 7:00pm at Haverhill Arts Centre, in place of the Finance meeting proposed for 19<sup>th</sup> July.  
**RESOLVED**  
An RFO report will be given at the Full Council meeting.
- C22 /089** **Closure**  
The Chairman declared the meeting closed at 19:52.

## **APPENDIX 1 – Police**

PC Cheryl Claydon, Suffolk Constabulary, attended the meeting to give the briefing. The main focus has been on youth crime, Anti-social behaviour, drug related activities and vehicle crime. Over the last few months there has also been an increase in theft from vehicles which appear to have been left insecurely overnight and these crimes has been across various locations across town.

As a result of proactive investigations 3 suspects have been arrested and some of the property has been recovered. The suspects are on Police bail whilst investigations continue and are working together with the CPS for a charging decision. Data is continuing to be analysed to identify the most sensitive areas to these crimes and then increased visibility tactics will be used as a future deterrent.

There has also been a spate of dwelling burglaries effecting both Haverhill and Sudbury. Due to witnesses and CCTV, a group from Lincolnshire have been identified as targeting the area and suspects have been arrested. Work is continuing across the force with regards to this group.

The force have continued to work through intelligence with regards to drug trading and warrants have been executed at targeted addresses, in line with county lines intelligence. This has resulted in arrested across town.

Youth related crime and public order offences have been occurring in town and 5 individuals have been arrested and are currently on bail with curfew conditions. It is also believed that this group may be involved in graffiti in the town. Councillor Roach asked about the recent criminal damage in the town with planters being turned over and whether the CCTV could shed some light as to the offenders. The Officer confirmed that the CCTV would be reviewed.

Councillor Burns thanked the Police for escorting the Armed Forces Day convoy the previous weekend.

The Clerk asked how the Emergency Services Cadets camping event, for which a grant towards tents was given by the Town Council, had gone. PC Claydon confirmed it had been a great success and the tents had been ideal.

Councillor Hanlon ask PC Claydon to confirm the legal age of arrest, which she confirmed as 10 years old.

## **APPENDIX 2 – County Councillors' reports**

### **Councillor J Mason**

#### **Extra funding agreed by Cabinet to fund new SEND places**

Funding for second phase of £45 million five-year project agreed by Cabinet.

Suffolk County Council's Cabinet has agreed an additional £15.9m to complete the funding for the creation of at least 879 specialist places for children and young people with special educational needs and disabilities.

This money marks the second phase of a £45m five-year project to deliver specialist provision for SEND students in Suffolk. These places include units attached to mainstream schools and three new special schools.

So far, 500 new places have opened across the county, with another 325 due to open between September 2022 and September 2024 under phase 1. The additional money will enable the completion of phase 2 of the project, and the creation of between 54 to 72 new places, depending on design and planning.

The new SEND places support the growing number of children and young people in Suffolk who need specialist help at school. Between September 2021 and May 2022 there have been 1,333 referrals for specialist placements for children currently in mainstream schools.

Plans for new SEND places under phase 3 will come before Cabinet from September. The newly-approved £15.9million includes £6million to complete phase 2, £4.6million to cover overspend and a grant from the Department for Education of £5.3million.

The special schools include Castle EAST, a new communication and interaction school in north Suffolk; a new social, emotional and mental health school in west Suffolk named Sir Peter Hall; and a communication and interaction school in south Suffolk, Woodbridge Road Academy.

### **Ukraine: latest news and further information**

For further Updates please refer back to the Weekly bulletin

<https://www.suffolk.gov.uk/community-and-safety/communities/community-engagement/support-for-refugees/support-for-ukraine/ukraine-further-information/>

### **Support during school holidays**

Suffolk County Council has confirmed that the discretionary Household Support Grant will be used during the six-week summer holiday to support vulnerable families. This will include providing supermarket vouchers to the value of £90 for pupils who attend a maintained school and receive Free School Meals. This is designed to help families with their essential living costs during the holiday. Schools will order these vouchers on behalf of families via Eden Red and information will be provided on how to redeem them.

The Local Welfare Assistance Scheme (LWAS) helps those experiencing financial hardship, whereby local organisations across Suffolk can submit an application for support, on behalf of an individual or family. Any Ukrainian refugees who are not currently confirmed as eligible for free school meals, but may need support, can ask their school or other trusted gateway partner to submit an application on their behalf to Suffolk County Council's Public Health Team who operate the Local Welfare Assistance Scheme (LWAS).

### **Other Notes Pertaining to interactions I am having with officers & residents**

1. Highways – Surface patching of Downs Crescent entrance is going to be carried out in the coming weeks with some resurfacing of a path on Howe Road.
2. Streetlights on Dove House Road to be changed to LEDs in next fortnight.
3. Highways have agreed with Police on extending illumination times on Strawberry Fields following the theft of some catalytic converters.
4. I am in discussions with Local Police and Highways regarding anti-social parking on Hales Barn Road.
5. Still no progress on Bus Stop on Greenfields Way at doctors' surgery.
6. Still awaiting TRO Signs to be installed on Bypass.
7. Meeting held with Residents regarding the Persimmon infrastructure plan. Ongoing concerns regarding increased use of Ann Suckling Road.
8. Met with Highways and West Suffolk Planners for a site walk along Ann Suckling Road to discuss mitigation. Awaiting costed report of planned measures to be installed.
9. Haverhill Rugby Club are starting to install the new fencing around their main pitch, part funded with £3000 from my SCC locality funds.
10. I am working on a number of other grant projects yet to be finalised.

## APPENDIX 3 – District Councillors' reports

### Councillor J Burns

- **NW Haverhill:** Work continues with further phase applications going through the planning process. Contractors have now started on site for the Relief Road however there is an outstanding problem with a utility, not being in the position it was expected, potentially having to be rerouted or put deeper.
- **Great Wilsey Park:** Work is nearly complete on the Chalkstone Way roundabout which scheduled to be now completed by about 4<sup>th</sup> July after final resurfacing; delayed because a gas main was found much closer to the surface than expected. It is now open east and westbound with Millfields Way link section still closed because of that gas main. The new northern footpath from New Croft to the roundabout is due to start at same time as roundabout completes with 3-way lights for about a month.

Redrow report that the cost of building a housing unit has increased dramatically with insulation, as one example, going up by 80% in less than 6 months. The cost is not being passed onto new buyers yet. On phase A8 (by Chalkstone Way) 14 units have been sold with the first occupations expected at the end of July. The temporary construction access opposite Falcon Close is now expected to remain in situ to separate the new residents and construction traffic. The entire phase is being built out, regardless of sales, because they do not want to lose control of contractors and materials. Some snagging issues north of this phase have been identified with the green corridor and WSC are liaising.

At the A143 end a land dispute between Redrow and one of the existing residents next to the roundabout is believed to have been resolved and further work in that area will resume shortly. Residents have moved onto the new development and building work continues apace around them.

- **Railway walk resurface:** We are still awaiting WSC procurement to sort out the scraping and resurfacing work. I am constantly chasing for a progress report.
- **Castle Hill Site:** Work continues apace with sales ongoing. No news on the old school site being converted back to community open space as agreed at the planning phase.
- **Atterton & Ellis site:** Still no further updates despite raising this recently with the WSC CEO.
- **Police Matters:** April crime stats were distributed on 6<sup>th</sup> June (May stats not due for another few days) and the May edition of "Constables County" shortly thereafter. I attended (online) the Accountability & Performance Panel meeting and, in person in Ipswich, the confirmation hearing for the new PCC Chief Finance Officer – there is only one person in that department so why they are called "Chief" I do not know but there is a large salary to go with it for a part time person. I am due to attend the next meeting of the Police & Crime Panel in Ipswich on 15<sup>th</sup> July, but the agenda is not yet available.
- **SCC Highways / High Street Closures:** I met online with SCC last week and finally managed to explain what signs are still missing and what need changing from what was there pre-Covid. They will be producing a new plan for checking but now has been some 8 months.

Work is ongoing around town to resurface parts of some of the roads in way of the Chalkstone estate starting on 11<sup>th</sup> July. It is not known whether this will be just pothole repairs or a proper surface dressing.

- **Combined Authority:** No further news but 3 local MPs (including Matt Hancock) have now formally requested that the rail link feasibility between Cambridge and Haverhill be re-examined instead of the proposals for a tram/bus system. It will be interesting to see if this gets off the ground.

- **Greater Cambridge Partnership:** An online meeting is being held on 13<sup>th</sup> July to discuss “road classification” for Cambridge. What this is designed to do nobody seems to really know but is in my diary.
- **Parking:** I still have had no answers from WSC why they have not been reporting statistics since Dec 2021. The press recently contacted me for my thoughts on enforcement in Haverhill and I stated that it is extremely poor in the High Street/Queen Street area. The reporter then sent me their FOI-requested data, which WSC have always told me is very difficult to provide, which showed that my comment was entirely justified despite my being criticised for being “negative” by a WSC officer. I am currently collating the data into a spread sheet and will distribute once done. It will be painful to read as obvious that the car parks are getting the vast majority of effort but equally the level of effort for our town, where it is needed, is abysmally low.
- **Markets:** I completed the West Suffolk review with a presentation to O&S committee which unanimously supported the recommendations made to go forward to Cabinet. Those recommendations have all kinds of work going on behind the scenes to make being a market trader a lot simpler, more cost effective and hopefully attract new traders, especially from the younger generation. But time will tell.

The market itself is still suffering from a lack of traders especially on the Saturday. But this is generally the same elsewhere post-Covid where many traders gave up and changed to another job.

- **Sturmer Arches:** Still no news from WSC re ownership expect for their issuing a statement about the recent incident resulting in a sad fatality. I have emailed them for an update otherwise I think it is time to go do some more digging of my own again.
- **Vixen PH (Millfields Way):** No further updates. I understand the owner sacked their architect and solicitors before going silent, so we are not sure what is going on now.
- **Strasbourg Square:** Still awaiting plans by WSC for renovation of the planting areas and have, again, reminded WSC of their commitment last year to carry this work out by the Spring. ASB and other problems in the area continue to frustrate businesses and residents. Graffiti in this area and elsewhere on the Chalkstone estate has been increasing, some of it offensive.
- **Market Square:** Still nothing been done on this regarding the dips and dirty areas. It was commented to me last Saturday during the Armed Forces Day celebration how poor it is looking. The top area that was not jet washed because the Christmas tree was in situ will be done once the pavement sweeper that has the attachment on it is fixed. I have offered WSC my own industrial trailer-based jet washer which they have told me they will consider.
- **Remembrance 2022:** Now the Queen’s Jubilee and AFD week has passed, the next task is to continue the planning for the Remembrance events in November.
- **Other work:**
  - Continue to assist with IT and CCTV systems for Kiosk, Zone and Arts Centre.
  - Monitor use of the Splash Pad water consumption on a weekly basis.
  - Spent 4 long nights in May, with others, installing bunting across the High Street, Queen Street and the Market Square.
  - Worked with others on the Jubilee Torch Relay event.
  - Worked with the team on both the very successful Queen’s Jubilee event (producing 105 historical videos for the video wall) and convoy planning/execution for Armed Forces Week including filming/producing edited footage of the flag raising and Falklands commemoration event.

- Usual ton of emails and questions answered as well as many online and occasional physical meetings.
- Facilitating broadcast of TC council meetings at the Arts Centre.
- Filming of shows at request of artistes at the Arts Centre.
- WSC Local Plan meetings continue.

## **APPENDIX 4 – Mayor’s Report**

### **Mayor Bruce Davidson**

Wow!!! That’s all I can say!

I became Mayor on the 16<sup>th</sup> May 2022 and straight in there with the Platinum Jubilee Torch Relay coming into town on the 17<sup>th</sup> May with Joan Keys and leaving on the 18<sup>th</sup> May with Eileen Towns and great granddaughter Faye.

My highlight so far has to be the Platinum Jubilee weekend itself. 14 engagements undertaken. The beacon lighting ceremony on the Square was just awesome! Big thanks to Mavis, Stereojack, John Burns & Aaron Luccarini, Charmaine & Brian Thompson, our Town Clerk and the Town Council Staff – who made it all possible!

And not forgetting the Picnic on the Recreation Ground on the Sunday! Disco Kitchen & Haverhill Show Tea Tent and children’s races! Apparently there is also a video of the Mayor, with chain, doing the Conga!!

Platinum Jubilee Street Parties aside – by far the best we attended was Broad Street - I have had the pleasure of attending a mixture of Civic Services and events.

I opened the Lisa Mason School of Dance new studios in Hollands Road on the 22<sup>nd</sup> May and the Adventure Golf at Wild Blades on the 28<sup>th</sup> May 2022.

Now that the clouds of Covid appear to be lifting – I am hopeful that in my year - I am fortunate enough to be out and about in the community. Between myself and my consort – fellow councillor Elaine McManus – we are already starting to make inroads. But we need your help! If you know or are involved in any community groups - then give us a shout, or contact Vicky, who controls my diary!

31 Engagements have been completed – see below and some awesome ones at that!! The RAF Honington Freedom Parade and also HM Lord Lieutenant of Suffolk Platinum Jubilee Service of Celebration – on any other month they both would be worthy of a lengthier mention!!

**Many thanks**
