The following Internal Audit was carried out on the adequacy of systems of control. The following recommendations/comments have been made:

All was found to be in order. The Council do not use LGA1972 s137 as they have adopted the General Power of Competence. VAT payments are tracked and identified within the accounts and petty cash. Supporting paperwork is in place and well referenced.

All payments are supported with a 'payment request slip' which provides an excellent audit trail and comprehensive information regarding the payment process. Additional Comments/Recommendations

- The Annual Town Council meeting was held on 15/5/2018, within the required timescale. The first item of business was the Election of Chairman, in accordance with Standing Orders.
- I would like to take this opportunity to commend the Town Council on their active leadership in the community in meeting the needs of the people of Haverhill. The installation of a pump track, kitchen for cookery classes and taking on Haverhill in Bloom are just some of the examples of how the Town Council projects are improving the quality of life for the people who live and work in the town.
- There are no additional comments/recommendations to make in relation to this audit.
- I would like to record my appreciation to the Clerk to the Council for his assistance during the course of the audit work
