Hello Everyone

Last Saturday evening certainly turned out to be a special occasion. I don't think we can thank Chris Burford enough for the absolutely wonderful meal that he had prepared and cooked for us. I dread to think how many hours of preparation it must have taken him. Thank you, once again Chris, what a star you are; and Dave Rinaldi and band carried on the evening in the same excellent vein, many thanks to them as well. In fact thanks to everyone who helped to make this such a memorable evening, especially Ian and Daniella Stewart, whose help with the food and clearing away was very much appreciated. I'm pleased to announce that we made £214 on the raffle. Below are some photographs taken during the evening but **please do read on after these as there is a very important announcement.**

On the 25th May 2018 a new Data Protection Act comes into force, which means that if you wish to receive e-mails, 'phone calls, post from an organisation, business, etc. you must have given your permission beforehand. One of our committee is on a training course for this during this week and, as soon as we know the precise details, I will be contacting you to ask you give your permission. Please don't ignore the e-mail because this may mean that you never hear from us again.

Our next event is, of course, our trip to Ehringshausen, with a bumper number of 66 visiting. I have already sent you the itinerary for this visit but if you haven't received it, please contact me. Kirsten has done a fantastic job in hosting most of us (especially when looking after her family and a new baby) and is still trying to host the last remaining people. In the meantime, enjoy the Spring sunshine, rain, gales (we might re-hibernate) and happy gardening.

Kind Regards
Beryl
