

Make an RAF roundel spinner

You will need:

- 1 uncoloured roundel
- Red crayon
- Blue crayon
- 1 piece of straw
- Scissors

To make:

1. To make the uncoloured roundel, draw three concentric circles, with approximately 2cm, 4cm and 6 cm radii. Divide the circles into 8 sectors (like slices of pizza or cake).
2. Colour **alternate** sections in the outer ring blue
3. Colour **alternate** sections in the inner circle red
4. Cut out
5. Pierce a hole in the centre
6. Push the straw through the hole
7. Spin to see your RAF roundel
