<p>NEUTRAL - The Town Council note and agree with Waste Management's comments that the bin store and size of bins proposed need to be indicated as does the bin collection point. A litter management plan for the area around the takeaway also needs to be included. Members also noted Public Health and Housing comments restricting opening hours to Monday to Sunday 11:00 to 23:00, when other surrounding establishments have not had these restrictions put in place. The Town Council recommend that this be amended to a closing time of 12 midnight to be in line with surrounding restaurants and fast food establishments. Proposed Councill Brown, seconded Councill Stinchcombe All in favour</p>					
10.01.23 Expires 31.01.23	3	DC/22/2143/FUL	Eight residential units Mr Fawad Rahimi	Land at Empire Yard, Brooke Service Road	
<p>OBJECT Members of the Town Council's Planning working party were positive in principle about the site being developed, which would tidy up the area and members liked the design being set back from the road. However, the previously approved applications included small, start-up, affordable retail units and the Town Council are disappointed to see that there is no provision for these in this new application. The Town Centre Masterplan requires developments in this area to support the vitality of the High Street and there is high demand in Haverhill for small, starter units as all current affordable units are already filled.</p>					

		PLAN NO.	PROPOSAL	LOCATION	TOWN COUNCIL DECISION
<p>Concern was raised over the sizes of rooms in units 5 and 7 which appear to be below the minimum standards for a two-storey dwelling. Unit 5 (for two persons) is 18sq m below minimum size standard and unit 7 (for 6 persons) is 12sq m below minimum size standards.</p> <p>Concern was raised that the metal sheet roof in this design will be out of keeping in comparison with the slate roof of Barclays Bank, which is a Grade II Listed Building.</p> <p>Lack of parking provision. The public car park opposite the site is a short stay car park, with no overnight parking.</p> <p>Although there are less than 10 units, the Town Council request conditions are placed requiring a construction management plan be provided due to the constraints of the site, the area is small and the residential properties behind the proposal would be affected. Where would construction materials and vehicles be located during construction?</p> <p>Proposed Councillor Luccarini, seconded Councillor L Smith All in favour</p>					
10.01.23 Expires 31.01.23	4	DC/23/0023/FUL	Canopy with PV array to South West elevation Mr Michael Sale, Michael Sale Architectural Surveyors Ltd	Jodal, Falconer Road	NEUTRAL Proposed Councillor D Smith seconded Councillor A Stinchcombe All in favour
10.01.23 Expires 31.01.23	5	DC/23/0019/HH	Single storey rear extension Mr Kris Thomson	28 Beech Grove	NEUTRAL Proposed Councillor D Smith, seconded Councillor B Davidson All in favour
