

HOW TO MAKE A PAPER FLAG

YOU'LL NEED:

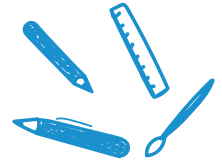

Scissors

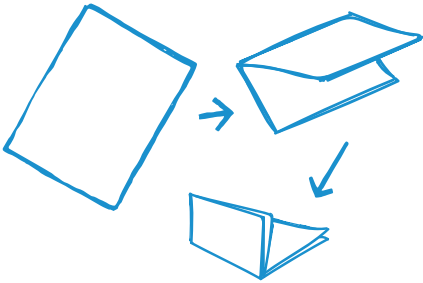

Sticky tape

Creative supplies!

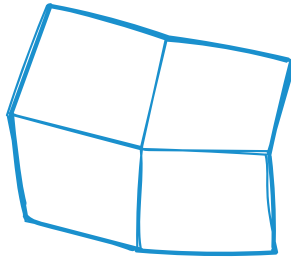

1

Fold your paper in half, then in half again.

2

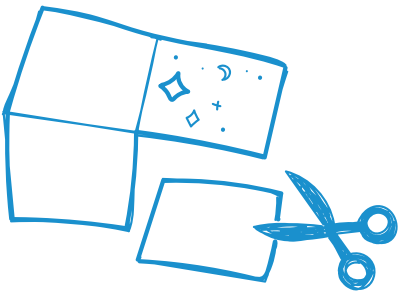

Unfold the paper to reveal four rectangles.

3

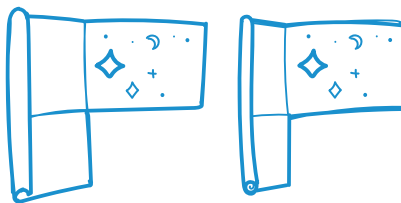

Decorate the top right rectangle – this is your flag!

4

Use scissors to cut away the bottom right rectangle.

5

From left to right, roll the two left hand rectangles as tightly as you can, fasten in place with tape.

6

Ta da! You've got your own paper flag!
